Re: Freedom of Information Act Request Forms - 1983.42 U.S.C. Use of Force

ON Behalf of Respecting our constitutional Rights, XIV Amendment,  
I request A Freedom of Information Act - Form from Dallas - Div of  
The U.S. District Courts, in Respects to the Fourteenth  
Amendment Equal Protections / Due Process to Enforce  
and Establish with the Dist. Attorney's office and  
Judy Koch Courtroom / chambers, because I am being  
Disrespected as A victim charged with a crime that  
was committed against me! Koch chambers are Maliciously  
Prosecuting me instead of searching for actual Truth and  
Releasing me. I am being held unlawfully in Dallas County  
Jail and I was robbed with broken ribs, concussions and  
Black eyes. Police Reports and Medical Records @ UT Southwestern / Presbyterian  
and Baylor plus the Report will claim my innocence to be compensated  
and Released. Judy Koch chambers, The Prosecutor and Attorney has Malicious  
Intentions and only seeking A Plea agreement to get the excessive bond amount  
As Reward money disregarding the Truth. Malicious Prosecution warrants change of Venue!

Case # 3:24-cv-2724-S/BW

~~Cannot be Mediated~~

Cannot be Merited or Mediated because its a non-jural Entity. The Sheriffs Dept. Allowed DART Transit Police to Enjoy This Unlawful Threat upon me and countless others. I was Fundled by the arresting Officers and he stuck his Fingers inside my Anus Feeling around w/o probable Cause, Assumptions and Actual Malice. There was no Police Report nor a victim but me being robbed and I chose to defend myself and scared the suspects off. ONE of them was Mexican Gilbert that Dart Police Had illegally Interrogated / solicited False Information From. I need A Federal Court Appointed Attorney to help me because of the Political Influence against me. Please help me I need victims Compensation - I was robbed and Lost everything, my Family is displaced with different Relatives and struggling to care for themselves and my Grandchildren, Please help me Please. I am the Victim and Koch chambers of Frank Crowley claimed that I have no rights or Equal Protections and need to be reported for Judicial Misconduct Malicious Prosecution Malicious Intent / disregarding the Truth Seeking Punitive and Compensatory Damages Mental Anguish / Pain and suffering, Loss of wages in Defamatory Degrading Accusations.

Sincerely,

Michael Nelson.
